Red Hat subscriptions

I. Description of the contract

The European Union Satellite Centre (“SatCen”) seeks to award a contract for the supply of 50 Red Hat Enterprise Linux Server, Standard (Physical or Virtual Nodes) subscriptions for 12 months.

The maximum budget for this contract is €45,000.00, excluding VAT.

Contract signature is expected for September/October 2026.

II. Description of the procurement procedure

above-mentioned contract. The purpose of this notice is to support the SatCen in the selection of candidates to be invited to submit an offer.

Economic operators interested in participating in this procedure may send their declarations of interest, along with their names, address and business details, before 26/08/2026, 23h59, through our procurement portal:

<https://www.satcen.europa.eu/Procurement/low-and-middle-value-contracts>

In their declarations of interest (300 words maximum), economic operators should demonstrate their ability to fulfil the contract and provide details of their experience in the field of the contract. The SatCen will assess this information in order to select suitable candidates invited to participate.

This publication has an indicative value and constitutes no obligation to award a contract for the SatCen.

Selected tenderers, invited by the contracting authority to participate in the procedure, will be sent the tender documentation.

We look forward to receiving your declarations of interest.

Until 26/08/2026· SatCen NP-13-26

To express your interest please select the procedures you are interested in above and submit the form below.
